

Cannon Chaos

Introduction: Let's blast into some cannon chaos, because today we are going to make a homemade air cannon with a water bottle and a balloon!

Approximate Time: 5 minutes

Materials:

- Empty plastic bottle
- Uninflated balloon
- Scissors

Procedure:

1. Have a trusted adult cut off the mouth of the balloon and the bottom of the bottle.
2. Stretch the balloon over the cut end of the bottle.
3. Pinch the center of the balloon, stretch it back, and release to blast your air cannon.

Tips & Tricks:

- Try setting up targets using cups or dominoes and blast them away with your air cannon!
