### Alliance Selection Rules:

- Number of Alliances (N) = # of teams / 3
- Alliance Picking Order: 1-N (no picking in top N), 1-N, N-1 or until robots run out
- 4<sup>th</sup> pick robots may decline or elect to be a backup robot for a 3-team Alliance per traditional playoff rules.
- 4<sup>th</sup> robot does not need to play. Drive coach is allowed behind the driver station.

### Double Elimination Tournament Rules:

An alliance ceases to be eligible to win the tournament upon having lost two matches.

All alliances start "Round 1" in an upper bracket. Alliances that win matches progress through rounds in the upper bracket. Upon losing a match in the upper bracket, alliances move to a lower bracket. Alliances that win matches in the lower bracket then progress through rounds in the lower bracket. A loss in the lower bracket results in elimination from the tournament.

The winners of the upper and the lower bracket will play each other in a best of 2 out of 3 "Final Round" to crown the 2022 HAVOC Champions.
